Call for Abstracts: Summer Conference Research in Forensic Psychiatry

5th to 6th July 2012, in Regensburg, Germany

The Forensic Psychiatry and Psychotherapy Unit at the University of Regensburg invites you to take part in its 8th International Summer Conference from July 5 to 6, 2012.

The annual Summer Conference in Regensburg (Germany) is an international conference on topics of the Forensic Psychiatry. International experts for Forensic Psychiatry, Forensic Psychology and Criminology are invited as keynote speakers and chairs. Apart from an active participation as a presenter a passive participation is possible as well.

Proposals should address one of the following topics:

prediction of dangerousness & recidivism  
offender treatment  
crime scene analysis / investigative psychology  
risk management  
forensic juvenile psychiatry  
psychopathy: concepts & research  
forensic neurobiology & neuroimaging  
forensic assessment  
sexual preference disorders  
sexual abuse & maltreatment

The keynote speakers this year are Prof. Dr. Michael C. Seto (Canada) and Prof. Dr. Stephen W. Smallbone (Australia)

Deadline for abstract submission: May 25, 2012
